## Puerto Vallarta Package

Puerto Vallarta is a Mexican vacation experience unlike any other. The combined cultures of Spanish Mores, Catholicism and pre-Columbian mystical traditions creates an atmosphere of wonder and adventure. The beautiful architecture and cobblestone streets will make you feel like you're experiencing authentic history, while also being surrounded by all of the other elements that make for an exotic Mexican vacation.

Majestic Puerto Vallarta is surrounded on one side by the Sierra Madre Mountains, and beautiful Banderas Bay on the other. Puerto Vallarta and the Bay area boast everything from breathtaking sunsets, warm sandy beaches, and incredible natural beauty to exciting mountain and ocean adventure. Walk along the famous oceanfront Malecon (boardwalk), where restaurants, nightclubs, sightseeing and shopping offer something for every taste. Take a water taxi or whale watching tour to marine parks and villages that can only be reached by boat. Swing through the jungle canopy, parasail over Los Muertos Beach, or stroll through Old Town and discover why Vallarta has been a vacation destination for more than 50 years.

# FAQs

**1. Why is this vacation package so cheap?**

We are able to offer this package to qualified participants at rates as low as 70% off of the retail rate because our resort partner is sponsoring the promotion. They subsidize the package in exchange for the opportunity to introduce their resort's frequent traveler vacation club program. Of course, you are under no obligation to join or purchase anything.
